

# 2" Ink Sample Squares-Stampin' Up! Dye Inks (Retired Page 3)

[www.jennifermcguireink.com](http://www.jennifermcguireink.com)

First cut horizontally by cutting from the marks on the right side to the X's on the left and stopping there. (This will keep the strips intact and connected on the left side.) Next cut vertically by cutting from the marks on the top to the marks on the bottom. The resulting squares fit nicely into coin pocket pages.
